

PSX Soldering guide

1 CONFIGURATION JUMPERS

1.1 1 PLAYER

1.2 2 PLAYER

2 HEADERS

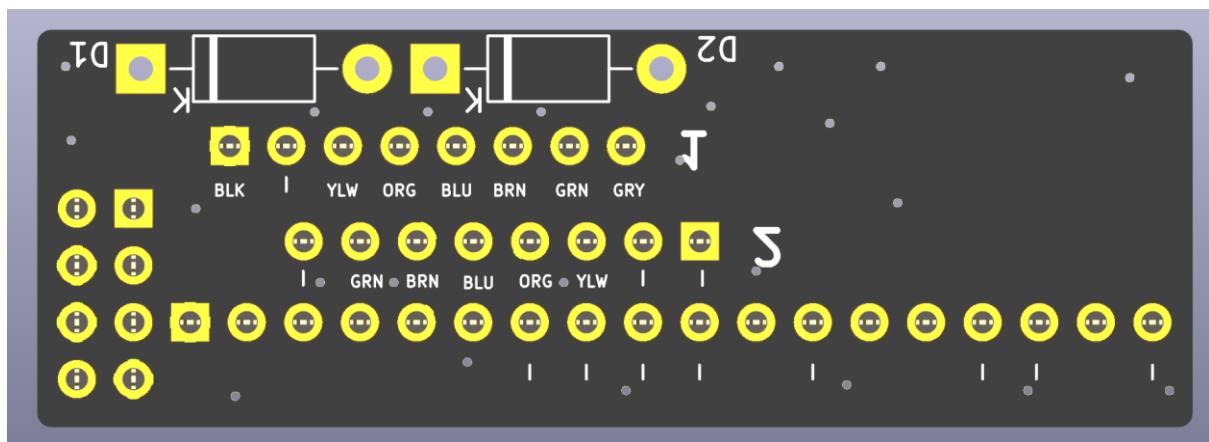

Facing the same side as the configuration pins, solder:

1x20 2.54mm socket header

2x4 2.54mm socket header

1x2 2.54mm socket header

3 CONNECTORS

Solder the controller cables to J_PS_1 and for 2 players, J_PS_2, ensuring you follow the colour guide.
