

N64 Soldering guide

1 CONFIGURATION JUMPERS

1.1 4 PLAYER

2 HEADERS

Facing the same side as the configuration pins, solder:

1x20 2.54mm socket header

2x4 2.54mm socket header

1x2 2.54mm socket header

3 CONNECTORS

Solder the controller cables to J_GC64_1 to J_GC64_4, using the colour guides for the N64 (Upper colours on the silkscreen)
